

RESOLUTION NO. 2021-15

A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF APPLE VALLEY, CALIFORNIA, ADOPTING A LIST OF PROJECTS FOR FISCAL YEAR 2021-22 FUNDED BY SB 1: THE ROAD REPAIR AND ACCOUNTABILITY ACT OF 2017

WHEREAS, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and Signed into law by the Governor in April 2017 to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of the Town of Apple Valley are aware of the projects proposed for funding in the community and which projects have been completed each fiscal year; and

WHEREAS, the Town of Apple Valley must adopt by resolution a list of projects proposed to receive fiscal year funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, the Town of Apple Valley, will receive an estimated \$1,435,831 in RMRA funding in Fiscal Year 2021-22 from SB 1; and

WHEREAS, this is the fifth year in which the Town of Apple Valley is receiving SB 1 funding and will enable the Town of Apple Valley to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

WHEREAS, the Town of Apple Valley has undergone a robust public process to ensure public input into our community's transportation priorities/project list; and

WHEREAS, the Town of Apple Valley used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the community's priorities for transportation investment; and

WHEREAS, the funding from SB 1 will help the Town of Apple Valley maintain and rehabilitate residential, collector, and arterial roads throughout the Town of Apple Valley this year with similar projects into the future; and

WHEREAS, the 2018 California Statewide Local Streets and Roads Needs Assessment found that the Town of Apple Valley's streets and roads are in an "at-risk" condition and this revenue will help us increase the overall quality of our road system and over the next decade will bring our streets and roads into a "good" condition; and

WHEREAS, the SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets

infrastructure, and using cutting-edge technology, materials and practices, will have significant positive co-benefits statewide.

NOW, THEREFORE BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF APPLE VALLEY AS FOLLOWS:

1. The foregoing recitals are true and correct.
2. The following list of newly proposed projects will be funded in-part or solely with Fiscal Year 2021-22 Road Maintenance and Rehabilitation Account revenues:

Project 1: Resurfacing 2021-22 Roadway Repair

The Project generally consists of providing the necessary labor, equipment, and materials to remove damaged asphalt, replace it with new asphalt, and repair potholes with hot mix asphalt on local roads within the Town of Apple Valley. Once complete, the segments will be microsurfaced. The project will commence in July 2021 and be completed in August 2021. The useful life of the project area is estimated to be 7-10 years.

Project 2: Resurfacing 2021-22 Cold Mix Overlay

The Project generally consists of providing necessary labor, equipment and materials for the application of SC-3000 cold mix asphalt, shoulder grading, and installing new thermoplastic striping on various street segments within the Town of Apple Valley. The project will commence in November 2021 and be completed no later than December 2021. The useful life of the project area is estimated to be 10-12 years.

Project 3: San Bernardino County Central Road and Other Roads Chip Seal and Overlay Project.

The project is being performed under a Cooperative Agreement with the County of San Bernardino and consists of applying a chip seal application to the existing road surface on each shared roadway segment and replacement of all existing traffic striping. County forces will perform all of the work involved in the project including project administration. The project will begin in July 2021 and be completed in June 2022. The useful life of the segments is estimated to be between 10-12 years.
